A Company At Work for You

Located in the heart of Edmonton's industrial area at 4144 - 78th Avenue, Rylex Machine & Supply Ltd. is the first place to look for your custom flanged and fitting needs.

On call 24/7, no job is too big or too small to be an emergency. At Rylex, we believe every job is a rush, and will be done as quickly and accurately as possible to ensure, you, our customer, is satisfied at all aspects of the ordering process.

We carry our own stock of round bar and forged flanges. If we do not have the material in stock, we are just a phone call away from one of our many committed local suppliers.

We have been serving the Edmonton and area since 2007, and strive to always be the best.

We Are Also Able to Provide Custom Specifications
